How to Determine Recreational and Educational Camp License Complexity Category

Check all statements that apply

Use this form to help determine a Recreational and Educational Camp establishment's complexity category, which determines the license type and license fees. It is also used to determine if there is a hospitality add-on. Complexity category and hospitality add-on information are needed to complete your license application.

Check all that apply:

- The camp provides on-premises or off-premises waterfront activities including: swimming, kayaking, boating, sailing, canoeing, or inflatables to campers. This does not include vendor provided waterfront activities (2 points)

- The camp offers camper firearm activity on-premises (1 point)

- Archery, ax, hatchet, or knife throwing is offered to campers on-premises (1 point)

- The camp offers high element challenge course to campers on-premises (3 points)

- The camp offers low element challenge course to campers on-premises (1 point)

- The camp offers horseback riding to campers on-premises (1 point)

- The camp offers motorized vehicle activity for campers on-premises including go-kart, all-terrain vehicle, or utility-terrain vehicle (1 point)

- The camp serves one or more rental groups including a school, church group, or scout troop (1 point)

- The camp premises includes structures that are utilized for lodging, dining, health services, waterfront activities, water supply systems, or challenge courses that require inspection travel beyond a half mile from the main centralized camper drop off or welcome location (basic services that are spread out, or distant service areas) (1 point)

- The camp utilizes 4 or more private wells to supply camp drinking water (1 point)

- The camp utilizes more than one kitchen or physical building with kitchen preparation space to serve meals to campers (1 point)

*Camp sleeping structures on premises. These structures may include: cabin, yurt, covered wagon, Adirondack shelter, or platform tent (for college dorms, count individual sleeping rooms used by camp)

Choose one of the following:

- The camp has 1 to 10 stand-alone sleeping structures (1 point)
- The camp has 11-20 stand-alone sleeping structures (2 points)
- The camp has 21 or more stand-alone sleeping structures (3 points)

*Hospitality: The camp also offers additional activity such as a retail food establishment, campground, hotel, motel, bed and breakfast, or a tourist rooming house within the confines of the camp Yes No

Select all that apply:

- Campground
- Lodging
- Retail Food Establishment
